STAT 20. [REDACTED] LIAISON Sent general information regarding the Agency to Linda Shelton, on the staff of the House Select Committee on Congressional Operations, per her request.

STAT 21. [REDACTED] LIAISON Spoke with Charles Bolz, House Appropriations Surveys and Investigations Staff, concerning a preliminary meeting with CIA and DIA representatives for the purpose of scoping the proposed S&I study of Defense and National Intelligence Estimates.

STAT 22. [REDACTED] LEGISLATION Called Jim Oliver, OMB, concerning the Director's letter concerning the intelligence authorization bill. I made arrangements for LDXing a draft and said we would get the final to him as soon as possible.

STAT 23. [REDACTED] LEGISLATION Called Pete Bonner, Senate Appropriations Committee staff, in connection with State/Justice appropriations bill report language and he agreed that there was no need to settle the problem at this juncture; that having focused the attention of the Executive Branch, if the Executive Branch came up in a reasonable period with their solution, then the report language would have accomplished its purpose.

STAT 24. [REDACTED] LEGISLATION Spoke with Mr. Michael Wenk, Department of Justice, regarding the Justice Appropriation report.

Mr. Wenk stated that his office had, in light of Senator Ernest Hollings' (D., S. Car.), refusal to meet with Department of Justice staff, again asked, via memo, Attorney General Bell to telephone Senator Hollings to express Executive Branch misgivings about Senate Report language regarding visas for and expulsions of Soviet Bloc Intelligence officers from the U.S.

11. [REDACTED] LIAISON John Greaney, OGC, talked with Keith Raffel, Senate Select Committee on Intelligence staff, and passed along his comments on the Committee report on use of classified information in court. Greaney's comments concerned the sections on Puttáporn Khrankhruan and Nha Trang murder cases. In addition, I made one suggestion. Later Raffel was informed that Tony Lapham, General Counsel, does want to review the report personally and we will have his comments to Raffel by 12 September.

12. [REDACTED] LIAISON Called Mike Gelacak, Senator Joseph Biden's (D., Del.) designee on the Senate Select Committee on Intelligence, and informed him of the inquiry of Mike Brown, a summer intern in Senator Biden's office, for Agency views on the Hughes-Ryan Amendment. I said we were puzzled why such a paper would be written by Senator Biden's personal staff rather than his Committee designee and asked Gelacak to make sure the request was valid. He agreed.

13. [REDACTED] LIAISON Called Earl Eisenhower, Senate Select Committee on Intelligence staff, regarding Senator Barry Goldwater's (R., Ariz.) letter to the Director on the William Kampiles case. I asked whether the Senator was asking for a personal meeting with the Director or for a session with the Committee. Eisenhower said Senator Goldwater does not need a personal meeting. We agreed that there would be no need for a written response from the Director to the letter since arrangements for a Committee meeting for next week were well underway.

25X1 11. [REDACTED] LIAISON Jim Fellenbaum, Senate Appropriations Committee staff, called with regard to the request for approval of his Committee to proceed with rental of office space without going through the Public Works Subcommittee process. Fellenbaum was basically unhappy with the request because he says protocol requires him to write to the Public Works Subcommittee to get their approval, and this is a difficult process at best. He has asked for further justification as to why we are making the request at this time instead of earlier, why we believe going the GSA route will take so long, and what the impact will be if his Committee does not approve our request. I am in contact with the Real Estate Branch of the Office of Logistics.

25X1 12. [REDACTED] LIAISON Loch Johnson, House Permanent Select Committee on Intelligence staff, called to ask for any instructions/regulations/guidance that the Foreign Resources Division may have sent to its Bases with regard to dealing with Academia. I have passed on the requirement to Don Gregg, C/PCS/LOC/DDO.

25X1 13. [REDACTED] LIAISON Jeanne McNally, House Permanent Select Committee on Intelligence staff, called to say that Representatives Edward Boland (D., Mass.), Committee Chairman, Les Aspin (D., Wis), and Bob Wilson (R., Calif.), both Members of the Committee, had agreed to meet the DCI and the Attorney General at 0900 hours on 13 September to discuss the Committee's concern that individual Presidential Findings will be needed for each activity pursued within the current Finding (7 June) on terrorism and/or narcotics.

25X1 14. [REDACTED] LIAISON Dick Giza, House Permanent Select Committee on Intelligence staff, called requesting 15 copies of the Polar Atlas for Representative Charles Rose (D., N. Car.).

25X1 I have passed the request on to [REDACTED] CSS/NFAC.

25X1 15. [REDACTED] LIAISON Received a call from Hal Ford, Senate Select Committee on Intelligence staff, who said he would like to see DDO employee [REDACTED] who he believed had just returned from an assignment in [REDACTED]. Ford said this would be a personal call not business. Ford also said he was available to review any China counterintelligence reports that were ready for him. I subsequently informed him it would be next week before I had the reports.
